Description

EdCredible's Instructional Materials Adoption and Evaluation Platform makes instructional materials adoptions a breeze for school districts.

This is the same powerful platform the Florida Department of Education is using for the ELA and Mathematics Standards Review, State Adopted Civics Education Instructional Materials Review and the Civics End-of-Course Assessment Test Item Specifications Review.

If you're ready to have the best adoption experience, go to: <https://www.edcredible.com/educatortraining>
